PILGRIMS OF HOPE

The motto given to the Holy Year 2025 by Pope Francis is *"Pilgrims of Hope,"* in the belief that the year *"can contribute greatly to restoring a climate of hope and trust as a prelude to renewal and rebirth that we so urgently desire"* after years of pandemic and suffering. We can be hopeful people because Jesus modelled it for us. In this time and place, we are now called to deepen hope, to be people of trust, to be pilgrims and messengers of hope in all the circumstances of our lives.

Ritual can create a space where the mystery of life can slowly be revealed to us all. It is into this space that **hopeHQ** enters offering parishes and schools all the prayer, liturgy, music, multimedia and professional learning resources needed to equip communities as *"Pilgrims of Hope"* in the Year of Jubilee.

God's Spirit is on me; God's chosen me to preach the message of good news to the poor, sent me to announce pardon to prisoners and recovery of sight to the blind, to set the burdened and battered free, to announce, "This is God's year to act!" **Luke 4:18-19**

"Christian hope does not deceive or disappoint because it is grounded in the certainty that nothing and no one may ever separate us from God's love ... hope does not disappoint!"
Pope Francis
